PLANTING TREES SINCE 2008

Since 2008, Trinity Oaks has planted more than 25 million trees in partnership with organizations supporting land restoration. In 2024, Trinity Oaks began a partnership with veritree. Veritree's mission is to make saving the planet simple by building trust through technology and making it easy for businesses to take real actions. In partnership with veritree, Trinity Oaks will be planting 110,000 in the next year, supporting real and meaningful ecosystem restoration.

VINEYARD INFORMATION

Trinity Oaks Merlot was sourced from premier California vineyards in Lodi-Delta and the Central Coast that use sustainable growing practices. Cover crops like flowers, oats, & barley are grown between the grape vines to naturally enrich the soil, boosting ripeness within the fruit. The cover crops also lure beneficial insects to the area, protecting the vines from predators.

TASTING NOTES

Aromas of luscious black plum lead to juicy red cherry flavors complemented by notes of herbal spice, tea and vanilla. Full-bodied with a lingering finish.
